Read all about it...

A charming and well-presented Edwardian Edward Christmas end of terrace house, located just half a mile from Forest Hill Town Centre and Station. This home offers all the benefits that come with living in proximity of a well-served Town Centre, whilst being within the catchment for 'Ofsted Outstanding' primary schools, including Kilmorie Primary School, good nurseries and a variety of public green spaces.

Spanning over 970 square feet of internal living space, the ground floor of this property features an open through-lounge and dining room with a log burner and bay window with original sash windows to the front. The kitchen opens onto a sunroom/utility space served by a sky light and French doors leading to the garden. The kitchen and sunroom could be opened up into one space to create a kitchen diner if the new owner wishes to. The first floor houses a spacious double bedroom with fitted wardrobes and a sash window overlooking the garden, two further bedrooms and a modern fitted bathroom with a free-standing bath, double glazed sash window, heated floor and HIB mirror and separate spacious shower.

Externally, the east-facing garden is accessed via the sun room and offers a patio space for alfresco dining and a well-kept lawn boarded with mature flowerbeds. The garden benefits from rear access making it easy for any future building works as well as a shed for storage.

To the front is off-street parking and a garage, currently utilised as a gym/workshop, it is fully powered and could be further converted to a home workspace in the future.
