Read all about it...

Tucked away on the ever-popular Ronver Road in Lee, this beautifully presented two-bedroom home combines modern style with practical family living. With a high-spec finish throughout, standout features include a sleek kitchen extension with central island and a smart loft room, offering extra space as a home office or creative space.

The interior layout is thoughtfully arranged with two main bedrooms, a stylish family shower room, and a bright loft room that makes an ideal home office or creative space. Downstairs, a separate WC adds convenience, and the kitchen flows naturally into the living areas, creating a welcoming hub at the heart of the home.

Outside, there's a private space that's just the right size for hosting summer BBQs or enjoying a quiet morning coffee. Built-in storage solutions, including eaves space and fitted cupboards throughout, ensure every inch of the property is both attractive and functional.

The neighbourhood is well-regarded for its community feel and strong transport links. Lee and Hither Green stations are both nearby, making daily commutes into central London smooth and reliable. Local parks, schools, and independent shops add to the area's growing appeal.

Stylish, well-located, and ready to move into, this home is ideal for anyone looking to settle in a connected, friendly part of south-east London – whether you're a young family, a professional couple, or simply seeking space with a touch of character.
